Description

A four bedroom property requiring refurbishment, offering an excellent opportunity for buyers looking to create a home tailored to their own style and requirements. The ground floor comprises a spacious reception room featuring a large bay window, decorative ceiling corning and a feature fireplace.

There is also a separate dining room and kitchen which leads through to a rear conservatory with access to the garden. The property retains a number of attractive period features, while requiring modernisation throughout and offering considerable scope for refurbishment.

Upstairs, there are three well-proportioned bedrooms, including the master bedroom, along with a family bathroom. A fourth bedroom is located on the top floor, providing a versatile additional space.
